

TRIAL MEMBERSHIP PROGRAM AGREEMENT

The Russellville Country Club (RCC) is offering a Trial Membership program that's available from February through the end April of 2020. This program allows an RCC golfing membership on a month to month trial basis that will allow new members to explore what the RCC has to offer without a long term commitment on their part. The RCC hopes to convert all the trial members to full RCC members under this program. This membership allows full use of the golf course, practice range and all club house privileges. This program is set up on a month to month basis and members under this program will NOT be allowed to charge meals and refreshments to their accounts like regular RCC members.

This trial membership includes the following benefits for golfing individuals joining the RCC under this program.

1. No joining fee.
2. Dues of \$100/month + tax. If not joining on the 1st of the month, then payment of the prorated amount for the remainder of the month will be paid up front.
3. Range plan is included for this membership. Pick up free Tokens at the snack bar.
4. If you own a golf cart, then you may sign up for a Golf Cart Permit for \$40/month.
5. Golf carts may also be rented at the snack bar for \$10/day + tax.
6. Members signing up under this program are encouraged to file a credit card with the club for use during the remaining months of this trial membership. If you file a credit card with club, then your card will be charged for the next trial month (\$100.00 + tax) on February 28th and March 31st for the next trial month.
7. If I decide to quit the RCC before the end of any month there will be no refund.
8. If your dues are not paid by the 1st of the month, then your trail membership has expired and you are NOT allowed to restart a trial membership under this program.

I, _____, understand and agree to the above conditions and the Russellville Country Club bylaws and rules established by the RCC Board of Directors.
